This exhibit was arranged through the cooperation of the Illini Union Student Activities Art Exhibits Committee and the Art Department of the University. The paintings were selected from undergraduate work of the last two semesters by the staff of the Art Department.

The prize winning painting will be hung permanently in the Illini Union, and the artist will receive \$150. It is hoped that this show will become an annual event.

The purpose of the Art Exhibits Committee is to bring the students into contact with varied types of art and to strengthen the appreciation of all types as much as possible. In the Pine Lounge from March 10 to April 18 there will be an instructive exhibit of color reproductions entitled "What is Modern Art?" scheduled from the Museum of Modern Art in New York.
